2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The performance of a student who has registered in any academic program is evaluated internally on a continuous basis by the concerned faculty. Continuous internal evaluation system helps to assess the performance of students over a well distributed interval of time within the semester. This system makes the examination an internal and integral part of teaching process. Internal assessment need not be always pen and paper tests. There are various forms of assessing. These include assignments, seminars, group discussion, debates , lab work, periodical quizzes etc., Internal assessment aims at testing the student in every aspect. The assessment of the students has taken into account a number of essential abilities such as capacity for hard work ,teamwork ,skill use of

hands etc., it encourages the students to work systematically throughout the course. Internal assessment test and other measures taken to judge the performance of students is done in an effective manner in continuous internal evaluation. Pen and paper tests are conducted as a part of internal assessment in the form of tutorial examinations and week end examinations. Whenever pen and paper tests are conducted, students are allowed to go through the value answer script and they have the opportunity to discuss their answers with the concerned teacher and correct themselves. Internal assessment gives the immediate feedback to the teachers. It helps in diagnosing the difficulties of students immediately during the semester and gives a wide scope to help the student in overcoming their difficulties. It helps the teacher to identify slow learners and advanced learners. Students are encouraged to improve their performance in future by counselling. The results of the internal assessment are communicated to parents through parent teacher meetings and the performance of their ward is discussed thoroughly. External examinations along with internal assessment is introduced in order to prevent the possible dilution of the system.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college is Affiliated to Acharya Nagarjuna University. Hence, Academic Calender is prepared in accordance with Acharya Nagarjuna University Time Table/Academic Schedule. Reopening of the college and last working day is as per the University Calender. 1st and 2nd Mid Examinations and University Practical Examinations are conducted by the college for each semester as per the university schedule. Semester end examinations are conducted by the university itself. Moreover, Students are sent for university examinations only after satisfying all university norms. First year UG and PG course classes commences as per the directions of university. While preparing the Academic calender, All the issues like Guest Lectures, Various committee Meetings, Cocurricular Activities as taken in to consideration.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

BEST PRACTICES OF INSTITUTION • FINANCIAL ASSISTANCE PROGRAM The management provides financial assistance to the poor, needy and meritorious students with the support of alumni and endowment fund. It also provides financial assistance to the faculty to participate in seminars, workshops, conferences etc., and it

provide incentives to faculty for acquiring M.Phil., PhD degrees and also for publishing research articles in National and international journals. • **OUT REACH PROGRAM** It is true that college lecturers should shape their students. They should guide and encourage students to work in their area of interest. In order to encourage the students who would like to pursue higher education, they should be aware of professional courses such as MBA, MCA, B.Ed. and post graduation courses such as M.Sc., M.Com. and M.A. etc. and the college students should be equipped with all the qualities that are required in every aspect by the time they transform from college to professional institution or university.

To create awareness and to make them well equipped, we have designed few outreach programs for students and lecturers of our college. Benefits of Outreach Programs 1. Lecturers will get awareness about latest teaching trends 2. Provides practical oriented teaching. 3. Difficulties and barriers of subjects will be cleared thoroughly. 4. Provides hands on training to teachers by the persons from industry. 5. Motivates learners to select employable courses. 6. Spreads awareness about entrepreneurship and enterprise building. •

STUDENT RETENTION PROGRAM Students can be the best promoters of the college in the society but this can only be achieved by building a bond of trust between the student and faculty or college. Belonging- Engagement-Retention strategy is followed by the college to improve student retention rate. Strengthening of advisory system, concentration on student attendance, financial academic and social support to the students, **TEST EARLY – TEST OFTEN** for good results, etc., are part of this program. •

INTERDISCIPLINARY COURSE we have inbuilt curriculum strategies to widen the skills of undergraduates by giving computer training to non computer students and coaching for English proficiency. • **REWARD FOR STAFF AND STUDENTS** Appreciation works like a tonic for others and it makes them to do work more and better. Believing this, the college has constituted following rewards as appreciation for its staff and students. The mode of reward is in terms of appreciation certificates and mementos. Best class 100 University result teacher Best male student Best female student Topper of the class Subject topper Best NCC cadet Best NSS volunteer Class attendance topper • 15

MINUTES CONVERSATION The college has started a practice of 15 minutes conversation with every student by every teacher during preparation before semester end examinations conducted by University. The benefits of this practice are 1. Helps students to get a clear idea about syllabus and examination pattern 2. Helps students to prepare for examinations wisely 3. Builds confidence among learners 4. Difficulties and barriers of students can be cleared thoroughly 5. Helps in filling the learning gaps 6. Helps students in realising their need.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The institution is keenly interested on women empowerment by educating economically underprivileged students for the upliftment of the society. Hence the priority is given to the educationally and economically deprived students in admission. Further more Physically challenged students are admitted and special care is given for them. During Internal and University Examinations , they are given extra time and if necessary scribes are also arranged. Our college provides Merit Scholarships to Bright Students who get good marks in University Examinations. Our Management give financial assistance to the students who wish to attend the Sports and Games at National and International Competitions. Besides, the Institution provides Endowment scholarships for the

meritorious students in the names of 22 Donors.
