The Indian higher education system is on the brink of great transformations to cope with global competence. This system is one of the third largest higher educational systems in the world, comprising 1114 universities, 43,796 colleges, and 11,296 stand-alone institutions. Maintaining quality in this system is a matter of long-term initiative. To reach this long-term goal, Internal Quality Assurance Cell (IQAC) was established in KVR, KVR & MKR College in 2007. The prime responsibility of IQAC is to initiate, plan, and supervise various activities that are necessary to increase the quality of education imparted in the college. The role of IQAC in maintaining quality standards in teaching, learning, and evaluation is crucial. At present IQAC's main function is to improve research and is taking steps towards it.

At the beginning of the academic year 2022-2023, IQAC committee is constituted with the following members.
